WELCOME

Welcome to the EDUCATION CONNECTION Adult High School Diploma Program. We are happy that you are interested in joining our program. We will make every effort to help you achieve your personal goals.

The purpose of the program is to provide individuals who have not completed their high school education an opportunity to earn a high school diploma.

The EDUCATION CONNECTION Adult High School Diploma Program is sponsored by EDUCATION CONNECTION, an educational service center located in Litchfield, CT under the provisions of the statutes of the State of Connecticut, and is conducted in full compliance of all federal and state regulations pertaining to adult education.

This program is
FREE of charge.

All classes and counseling services are provided with funds by EDUCATION CONNECTION in cooperation with the State Department of Education.

This program, with classes held at various sites, is designed to serve those individuals 16 and older who wish to earn a high school diploma. The program utilizes a variety of methods to earn credits, thereby increasing educational and vocational opportunities.

English, Math, Science, Social Studies and elective classes will meet Monday through Thursday from 3:00pm to 9:00pm at designated sites. Class schedules will be available at registration.

Other High School credit opportunities include classes in Career Exploration, Transition to College and a variety of on-line classes.

REGISTRATION

General Registration for Adult High School classes is held in August and January prior to the start of each semester. Individual registration occurs throughout the year at the Adult Education office.

Students must bring a transcript from the last school in which they were enrolled as well as any other appropriate certificates to registration.

ELIGIBILITY

Those wishing to enroll must be (16) sixteen years of age or older and officially withdrawn from high school and have a copy of the official withdrawal form with parental signature. Candidates must not have a high school diploma or GED if they wish to earn credits for courses they take.

Free!

If students would like to earn additional credits in order to obtain their diploma, Independent Learning Packets are available. Each packet is designed for a minimum of (48) forty eight hours of work per credit. The student is encouraged to see the tutor to obtain assistance and be tested on the material. Credit is then awarded upon successful completion of the packet. Packets are recommended by the counselor after consultation with the student and with the approval of the Coordinator. Students must be highly motivated to participate in this program component.

You may also receive credit for:

- work experience
- military experience
- occupational training
- vocational experience
