### Student Quotes:

**"I really liked the online course. I think it's easier ... for students who don't like to be in class."**

Algebra

**"I'm glad I took this course ."**

Physics

**"It's like you're one-on-one with the instructor instead of in a big class environment."**

Civics

**"The overall online experience was kind of fun. It made me feel a little more advanced than regular schooling."**

Contemporary Literature

**"I enjoyed this online class, it was something new and interesting for me."**

Transitions

*The CT AVHS is funded by the **State Department of Education's** Bureau of Early Childhood Career and Adult Education.*

*Administrative Services for the CT AVHS are*
