# Community Services

## What is Community Services?

Community Services offers a variety of support services to people in the community for the purpose of achieving goals and obtaining respect and dignity.

### What is **Community Services**?

---

We are professionals dedicated to improving the quality of life built on a community based, person centered approach. Client choice, independence, and sensitivity to culture and diversity are best realized by committing ourselves to work within our four core values.

- Quality of focus
- Collaboration
- Innovation
- Respect

# What services are provided through **Community Services** ?

## ***Community Living Arrangements***

Community residences, also known as group homes, offer individuals opportunities to live in typical community housing.

## ***Supported Employment Services***

These include supports to help individuals work as a paid employee in work settings that also employ people without disabilities.

## ***Supported Living Services***

Supported Living Services is designed to promote independence while providing long-lasting personalized supports. We focus on integration with the expectation that consumers will have something to offer the community in return.

## ***Title V***

The Title V program provides job training and placement for people with limited financial resources who are age 55 or older. The program is also designed to provide employers with trained, motivated workers.

## ***TRED (Transportation Reaching Every Direction)***

TRED is a regional transportation program that provides Department of Mental Health and Addiction Services (DMHAS) consumers a chance to get back into the workforce while helping other consumers.
