Making the Dream Happen

What is Supported Living Services?

Supported Living Services
promotes consumers' independence
while providing long-lasting
personalized supports.

What is **Supported Living Services?**

The mission of
EDUCATION CONNECTION's
Supported Living Services is to
promote independence while providing
long-lasting personalized supports.
We focus on community integration,
with the expectation that consumers
will have something to offer the
community in return.

These are the goals behind our
holistic approach:

- Ensuring personal choice
- Promoting physical safety and health management
- Protecting emotional well being
- Giving back to the community
- Building healthy reciprocal relationships

What services are provided through **Supported Living Services?**

- Skills and needs assessments
- Community exploration
- Locating suitable housing
- Community acclimation
- In-home supports
- Coordinating activities with other involved service providers

- On-going personalized supports:
 - teaching daily living skills
 - addressing medical issues
 - making appointments
 - arranging for transportation
 - coordinating recreational activities
 - developing budgeting and banking skills
 - organizing family supports as needed
- Assisting consumers and/or families with maintaining entitlements

Consumers are eligible to receive these services if referred to EDUCATION CONNECTION by a Department of Developmental Services (DDS) case manager, a consumer, a family member, or a guardian.
