

Intel® Teach Leadership Forum

Sponsored by the Connecticut State Department of Education, in conjunction with the Connecticut Association of Schools and the Alliance of Regional Education Service Centers (RESCs)

Overview

The Intel® Teach Leadership Forum provides face-to-face professional development focusing on the importance of leadership in promoting, supporting, and modeling the use of technology in instruction. Participants will explore relevant research and behaviors related to supporting effective technology integration and associated professional development.

Participants taking part in the Forum will:

- Examine the critical role leaders play in the effective integration of technology into teaching and learning
- Apply their knowledge to create a prioritized list of leadership behaviors that impact the integration of technology as a tool to improve student learning
- Analyze the International Society for Technology in Education (ISTE) National Educational Technology Standards for Administrators (NETS-A)
- Synthesize their understanding to begin development of a personalized action plan to implement in their school or district, with a focus on assessment

Cost

The cost per participant is \$20 for either one 4-hour (8:00 a.m. - 12:00 p.m.) or two 2-hour (8:00 a.m. - 10:00 a.m.) sessions. This nominal cost includes breakfast and a CD containing relevant research, case studies, and other resources to help leaders implement an action plan.

CEUs

Participants will receive 0.4 CEU (Code 305 - Evaluation & Supervision) upon completion of the workshop(s).
